6:00 pm - 7:30 pm

Decatur Public Library

Madden Auditorium

130 N Franklin St Decatur, IL

Interested in promoting conservation, preservation, restoration, and environmental awareness in Macon County? Join us for an informational meeting for a better understanding of the Community Environmental Council and it's role in the community. We will discuss our current projects, such as the Friends of Lincoln Trail Homestead State Park and SONA, and ask for suggestions for new ones!

Open to interested citizens who want to make a difference.
